EXAMINER'S STATEMENT FOR REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant has amended claims 1 and 6 to incorporate allowable subject matter in claims 3 and 7 respectively that were previously objected to but would be allowable if rewritten in independent form.
2. The prior art made of record fails to explicitly disclose or reasonably suggest a contact pad accessible through an access opening on a flange extending from a barrel of an energy delivery connector that comes in conductive contact with a conductive portion of an energy generator. Therefore claims 1, 6 and 10-22 are allowed. Claims 4-5 and 8-9 are allowed by virtue of dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Wong whose telephone number is 571-272-2363. The examiner can normally be reached on Monday through Friday, 830AM - 430PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank Font can be reached on 571-272-2415. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
